After you have completed the transaction with Paypal, please send an email to Vicki Aplin telling her how many books you paid for, and where you want them sent. You will select one of the following two options.

Funded from your Paypal balance or your bank account that has been connected to your Paypal account (no fee)

There is no Paypal fee for this if you will be paying from your Paypal balance or from your Paypal-affiliated bank account. Simply fill in an amount that equals the cost of the book(s) plus the shipping and handling (see above).
Direct Paypal to send the money to [aplinbill -at- gmail -dot- com](mailto:aplinbill-at-gmail-dot-com)

Funded from your credit card or debit card (yes, a fee)

There is a fee for this. Paypal will ask you who should pay the fee. Please choose to pay it yourself. The fee depends upon the amount being sent. If you live in the United States the fee for 1 book = \$1.03, for 2 books = \$1.66, for 3 books = \$2.30, for 4 books = \$2.94, for 5 books = \$3.58, for a case of 10 books = \$6.68 (assuming that you are having the books shipped to you).
